***MV Kennicott* Return to Service Delayed Until Mar. 30**

Due to ongoing repair work, the *MV Kennicott* will return to service two weeks later than originally planned. The vessel will now resume revenue service March 30.

MV Kennicott was kept in operational service three months longer than scheduled last fall to cover for other vessels. Once *MV Kennicott* was taken out of service for its annual overhaul in early January, more repairs were needed than originally anticipated resulting in the delayed return to service.

AMHS staff is contacting affected passengers. Service notices may be found at dot.alaska.gov/amhs/service_notices.shtml or by contacting your local terminal by dialing 1-907-465-3941 or toll-free at 1-800-642-0066.
